

# Salary & Hiring Data

## Providing Follow-up Data After Your Visit

The Career Center collects data from organizations that recruit on campus in order to provide feedback about interviewing activity and hire data. This data while reflective of on-campus recruiting activity during the past academic year, does not reflect all employment services at Florida State University. Each May, we will remind you to complete the hire survey so your organization will be represented in the results.

### Top 20 Employers By Interviews 2006/2007

1. PricewaterhouseCoopers
2. KPMG
3. Ernst & Young
