FSU Support Resources

You may not be able to help your Mentor FSU Mentee with everything. Here are some helpful on-campus offices available to assist FSU students that you can refer them to, if needed:

Office of the University Registrar

- For questions about adding and dropping courses, requesting transcripts, transfer credit, grade changes, and other academic record services, refer students to FSU's Office of the University Registrar.
    - Phone: 850-644-1050

FSU Counseling Center

- The University Counseling Center offers counseling services for FSU students seeking help in a variety of life challenges. Refer a student if they demonstrate a desire for one-on-one counseling sessions, couples or group sessions, or need walk-in services for urgent situations.
    - Phone: 850-644-TALK (8255)

The Center for Health, Advocacy, & Wellness

- The Center for Health, Advocacy, & Wellness (CHAW) at University Health Services offers wellness services and Health Promotion programs to all FSU students. If a student has questions about health resources available to them on campus, please refer them to CHAW.
    - Phone: 850–644–6230

Center for Leadership and Social Change

- The Center is a great resource for students looking to get involved in the Tallahassee community in various leadership programs and service opportunities. Help your mentee get connected with The Center if they are interested.
    - Phone: (850) 644–3342

Center for Global Engagement

- The Center for Global Engagement (CGE) provides orientation, immigration advising, and ongoing support to over 2,500 international students and family members and over 300 international scholars and faculty. If you are mentoring an international student, please refer them to CGE for additional support while at FSU.
    - Phone: 850-644-1702

Career Docs

- This service allows for a virtual review of an FSU student's resume, cover letter, personal statement, or other career-related document. Refer them to this service if you are unavailable to provide feedback!
