PROFESSIONAL EXPERIENCE

8/07-12/12 Project Manager and the Co-ordinator of the European Lifelong Guidance Policy Network, Finnish Institute for Educational Research, University of Jyväskylä. The European Lifelong Guidance Policy Network aims to assist the Member States and the Commission in moving European cooperation on lifelong guidance forward in both the education and the employment sectors.

1/07 – onwards Senior Researcher, Finnish Institute for Educational Research, University of Jyväskylä. Main responsibility on promoting the use of ICT in guidance. Another task was related to the evidence based lifelong guidance practice and policy development within transnational and European parallel networks. Coordinator and planner of the National Centre for Lifelong Guidance Expertise, which has a status of cross-disciplinary research unit at the university.

3/04- 12/2006 Researcher, Institute for Educational Research, University of Jyväskylä. Main responsibility on promoting the use of ICT in guidance. Another task was related to the evidence based lifelong guidance practice and policy development within transnational and European parallel networks. Coordinator and planner of the National Centre for Lifelong Guidance Expertise, which has a status of cross-disciplinary research unit at the university. The national partner in a European union funded Leonardo da Vinci programme project entitled: Supporting innovative counselling and guidance: building dialogue between research and practice. Animation of the CEDEFOP lifelong guidance virtual community. Coordination of two ACADEMIA study visits for Finnish career practitioners abroad.

- 3/00-02/04 Researcher – “Opintoluotsi” –project. (Web based information and guidance service for education, a national gateway coordinated by the Finnish Ministry of Education, <http://www.opintoluotsi.fi>) University of Joensuu, until December 31, 2000. The contract with the gateway project continues at the Institute for Educational Research, University of Jyväskylä, January 1, 2001 onwards. Responsible of evaluating the professional usage of the service. Also responsible for developing a front end for the professional usage of the service (<http://www.asiantuntijaluotsi.net>, a virtual resource centre for guidance practitioners). The project is scheduled for the years 2000 – 2006.
- 8/98-3/00 Senior researcher – University of Joensuu, Faculty of Education, Unit of Educational Psychology and Counselling. Responsible for teaching courses in counseling, career development, and computer applications. Also responsible for research and student supervision and advisement, service related to the application of computer technology in counseling and career development and the counsellor training programme web site design and maintenance.
- 8/96 – 10/98 Acting as an invited consultant for the European network for National Resource Centres in vocational and educational guidance (Euroguidance). Responsible for the audit of the network activities in the spring 1997 and completion of the evaluation report. Responsible for consulting on the strategic development and evaluation of the network activities based on the audit results. European Union Commission (DG XXII).
- 1/94 – 12/97 Project manager - Vocational Teacher Education College of Jyväskylä, Finland Jyväskylä Polytechnic. Planning, coordinating and evaluating the national developmental project in the area of vocational and educational guidance in polytechnics. During the first phase 1994 - 1995 there were 89 institutions participating the project. During the second phase there was a more thorough action research project with five polytechnics in 1996 - 1997. The transnational elements were embedded at this phase. The national closing seminar for the project was 11.-12.3.1998. The project was carried out in cooperation with University of Jyväskylä and The North Carelian Polytechnic in Joensuu. The project was funded by the Ministry of Education.
- 06/95 –12/96 Project manager - Vocational Teacher Education College of Jyväskylä, Finland. Responsible of planning, coordinating and evaluating a staff development project in Tampere Health Care Institute. During the project 25 staff members evaluated the curriculum development and guidance provision at their institute by using the Learning Organisation approach. Additionally, the project was an in-service training programme for the individual participants.

- 9/87 - 7/98 Senior lecturer – Vocational Teacher Education College of Jyväskylä, Jyväskylä Polytechnic, Finland. Responsible of coordinating the initial training programme of school counsellors for secondary level vocational education. Also responsible for coordinating national in-service training programmes for school counsellors. Autumn 1993 responsible of the vice-principal duties of the Teacher Education college.
- 7/91 – 8/91 Credit Facilitator, Concordia Language Village, Concordia College, Moorhead, MN. Responsible of coordinating and managing a Credit Programme in Finnish language at The Concordia Language Village at Cass Lake, MN, U.S.A
- 8/86 - 7/87 Subject Teacher, - Vaajakoski comprehensive and upper secondary school, Jyväskylä municipality, Finland. Responsible of teaching music and career education.
- 83- 86 Director, Responsible for the management of summer camps for school children under the supervision of the student welfare unit of the city of Jyväskylä.

Others:

A consultancy role in various in-service programmes in the area of vocational and educational guidance from comprehensive education to higher education in Finland and Europe. Partnerships in national and transnational professional networks in the area of lifelong guidance.
