

# What You Need to Know

Our distance advising services are provided by Career Center staff through offices located at the FSU Career Center and satellite offices around campus.

The Career Center operates in Eastern Standard Time (EST) and appointments will be scheduled in EST. Notify your distance career advisor if you are in a different time zone.

Career Center staff aim to respond to requests within two business days or less.

You will be asked to provide your FSU Student ID at the beginning of your advising session.

Written communications, such as emails, to or from university employees and students are public records and available to the public and media upon request.

If you or your advisor experience a technology failure, call 850.644.6431 or email **[careermail@fsu.edu](mailto:careermail@fsu.edu)**.

Given your academic program, it is possible that you will receive a referral to a Career Center Career Liaison who may provide similar career advising services through alternative distance methods.
