

CAREER ADVISOR SCHOLARSHIP NEWS

Published annually to update alumni and friends of Florida State University about career advisor scholarships.

News and Views

by Bob Reardon, Ph.D.

Welcome to another edition of Career Advisor Scholarship (CAS) News. According to my unofficial records, our scholarship funds in October 2015 were \$495,194. We awarded \$18,300 in scholarships this year to 9 students. In the past 20 years, we have awarded \$191,293 in 125 scholarships to 82 different students. We now have 181 contributors who have made 472 gifts.

It is important for us to support graduate students in the counseling program working in the FSU Career Center. FSU annual graduate tuition is now \$11,544 (in-state) and \$26,698 (out-of-state).

Remember — a gift to our endowed scholarship funds lives on — “it keeps on giving.” Only 4% of the interest earned from a gift is made available each year for scholarships; the remainder, along with the original gift, will contribute to another scholarship in the future.

As in the past, I “challenge” those of you who have received a career advisor scholarship to make a gift to these funds. I’ll match whatever you contribute up to \$300.

This scholarship program is important to me because so much of my personal and professional life is connected to it in varied ways. I believe many of you share this view, including the 17 scholarship award recipients who have a name plate on the contributor plaque in The Career Center.

Go Seminoles!

“ I ‘challenge’ those of you who have received a career advisor scholarship to make a gift of these funds. I’ll match whatever you contribute up to \$300. ”

How We’re Doing

Bobkin Fund (No. 1952). The Bobkin Fund was established in 1995 by Sandy and Randy Barker of Richmond, Virginia, and named for Sandy’s mother, Alyce B. Bobkin. This fund is operating currently with \$26,011 from 6 contributors.

Career Advisor Alumni Scholarship Fund (No. 1953). This fund was established in 2001 and has \$52,527 with gifts from 42 contributors.

Peterson Fund (No. 1955). The Peterson Fund was established in 1995 by Mike and Jean Shahnasarian of Tampa and named for Gary W. Peterson, Mike’s major professor. At the present time, this fund is operating with \$122,415 with gifts from 16 contributors. This fund is on the list for a state match of \$50,000 for further enhancement.

Rand Fund (No. 1959). The Rand Fund was established in 1996 by Herb Rand in honor of his late wife, Josie, a longtime music educator and FSU graduate. This fund is fully endowed at \$176,462.

Reardon Fund (No. 2129). The Reardon Fund was launched in late 2007 with a major gift from Mike and Jean Shahnasarian, which was further supported by 64 additional contributors. The fund is currently operating with \$81,230.

Joel Ross Driver Memorial Scholarship Fund (No. 7595). A sixth fund was added in 2013 in memory of one of our career counseling alumni and an assistant director in our Career Center. Joel’s family and friends established the fund in his honor. This fund is operating with \$36,549 from 60+ contributors.

While the criteria for these funds differ slightly, all seek to recognize and support students who have made a commitment to the career counseling area, have outstanding academic records and work histories, and have the potential to provide leadership in the broad area of career development and human resources.
