FROM OUR DIRECTOR

Dear Recruiters,

We are pleased to provide this handbook to ensure the effectiveness of your organization’s recruiting efforts at Florida State University. For over 50 years, the FSU Career Center has been committed to providing linkages between employers and students, and we are confident our students at FSU are some of the best in the country.

I would like to take this opportunity to thank corporate members of The Career Center Partner programs who have made this publication possible. As we continue to prepare students for success and as FSU seeks to enter the Top 25 Public Universities, now more than ever, we appreciate your involvement with our Employer Relations and Experiential Learning units in developing a cooperative and productive relationship with FSU.

The FSU Career Center is located in our state-of-the-art, 47,000-square-foot building, the Dunlap Student Success Center. We are asking that our corporate partners consider sponsoring a room in The Career Center. It is important to note that The Career Center’s named rooms will be for perpetuity through a one-time donation. Also, corporate room sponsors will receive extensive campus-wide acknowledgment and visibility in support of their recruiting efforts at FSU.

The FSU Career Center continues to use NACElink in support of our recruiting programs. This system, known as SeminoleLink at FSU, was developed and pioneered by FSU and several other universities. It is extremely important that employers support and post jobs at FSU through the SeminoleLink system, and it is particularly important for employers to consider posting their jobs at multiple NACElink colleges and universities at the state or national level. In doing so, employers are supporting the development of a not-for-profit recruiting system controlled by our profession, rather than relying on private vendors.

The quality of our students is high, and we believe that FSU is one of the more dynamic, energetic, and growing universities nationally. Once again, on behalf of The Career Center staff, thank you for your interest in our office and students. I am confident that we will further strengthen the professional partnership between your organization, FSU, and The Career Center. We look forward to working with you!

Sincerely,

Myrna P. Hoover

ON-CAMPUS RECRUITING

Recruit FSU students for full-time, co-op, part-time or seasonal, or internship positions in the Dunlap Student Success Center (DSC), third floor, and fill your hiring needs. Interviews are held Monday through Friday between 8:30 a.m. and 4:30 p.m.

On-campus recruiting is encouraged in the fall (end of September through November) and spring (February through April).

Planning and Scheduling Your Visit

Florida State University uses SeminoleLink, a NACElink system, to coordinate all on-campus recruiting (OCR) schedules. Reservations and interview details are made, scheduled, and finalized online.

Interested in scheduling an interviewing date? Contact the Senior Assistant Director for Employer Relations at 850.644.6493.

ON-CAMPUS RECRUITING PROCEDURES

Scheduling Options

1. Preselection – Choose students that you would like to interview. The Career Center will give you access to the résumés of interested students through SeminoleLink three weeks before the scheduled visit. You may also include students you meet at Seminole Futures or Engineering Day in your preselection list as long as the student is registered in SeminoleLink.

The names of preselected students and alternates must be chosen using SeminoleLink two weeks prior to the scheduled recruiting date. After choosing students for preselection, you may follow up with them via email through SeminoleLink.

2. Open Sign-Up – Schedule created through SeminoleLink. Any student who is interested in the position and who meets your requirements (major, degree, graduation date, GPA, and work authorization) is welcome to sign up for an interview.

3. Rooms Only – Reserve a space for interviews and you can create your own schedule from students you connected with at an event, from a job posting or some other means. You will need to provide the schedule to staff when you arrive on campus.

ON-CAMPUS RECRUITING THROUGH SEMINOLELINK

• Review your approved request once you receive the email confirmation from our Senior Assistant Director for Employer Relations.

Changing or Canceling Schedules

Changes and/or cancellations to scheduled date(s) or recruiting requirements will be accommodated if they are made at least three weeks prior to your recruiting date(s). Cancellations during this period are still accepted and no further action is necessary.

Note: Changes made less than three weeks prior to your recruiting date(s) will not give adequate time for publicity and may result in a less effective recruiting visit.

Once appointments are scheduled two weeks prior to your recruiting date, we feel that the commitment to honor those arrangements rests equally with candidates and employers. Therefore, changes by the employer resulting in cancellation of appointments should be followed by letters or emails from your organization to the candidates. Résumés can be obtained through SeminoleLink to facilitate this courteous contact. Candidates are bound to the same courtesy—they must write a letter of explanation if they do not give adequate notice of cancellation or do not appear for an interview. In fact, in some cases, students may be banned from further on-campus interviewing for missing scheduled interviews.

To make a change or cancellation, call the Senior Assistant Director for Employer Relations at 850.644.6493.

3. Help students practice their interviewing skills by offering critical and educational feedback through our Mock Interview Program.
4. Send us a supply of current employer literature for our library.
5. Contact academic, honorary, or student organizations at least two weeks prior to your visit so your information can be announced to members. See page 18 for selected student organizations and contacts.
6. Make a presentation or host a reception before your scheduled visit.
7. Become a Career Center Partner and receive special recognition at career fairs and in publications reaching thousands of students and FSU faculty and staff! See page 23 for more information.

TIPS FOR SUCCESSFUL ON-CAMPUS RECRUITING

Preselect Students by the Designated Deadline
Be sure that you have identified all preselected students in SeminoleLink two weeks prior to your visit.

Provide Recruiters with Necessary Information
Often those making arrangements for on-campus interviews and receiving our information are not the ones visiting campus to recruit. Please be sure that those coming to campus and conducting the interviews are provided all scheduling, location, procedure, and contact information.

Inform The Career Center of Special Needs
If you have applications, other materials to be distributed, or any special needs, please let us know as soon as possible so we can make the appropriate preparations ahead of time. Note: We do not provide facilities for testing.

Verify Schedule on Day Prior to Visit
Interview schedules are finalized the day prior to your visit date. Please check the interview schedule in SeminoleLink the day before your visit to be sure you have the most current information.

Arrive on Time
Please arrive at the interviewing location 15-30 minutes prior to the first interview. If you have any problems or need to make any changes in your schedule, please contact 850.644.4023 as soon as possible.

Park in the Designated Parking Areas
Refer to pages 28-30 of this handbook for parking information.

Bring Plenty of Business Cards
Career Center staff will ask for at least two of your business cards to keep on file in our library. Many students will also ask for your business card during the interviews.

Bring Extra Materials and Check Employer Literature in The Career Center Library
Please check your employer literature file in The Career Center Library to verify that it contains your most current information, and bring extra materials to leave with The Career Center.

Complete the Employer Evaluation
Please complete and return the employer evaluation that will be provided to you before your departure. Your feedback plays an integral part in being able to provide you with the best services possible.

TIPS FOR A SUCCESSFUL CAREER FAIR*

Know Your Audience
Knowing FSU’s student demographics and population characteristics is important. To learn more about our students, refer to page 33 of this guide or visit ir.fsu.edu.

Send Your FSU Alumni Back to Campus
FSU alumni are proud of their institution and love to return to their alma mater. Alumni can serve as great advertisements for your organization, especially when they are sharing your organization’s brand and message with students.

Reflect Organizational Diversity
Homogeneity in a recruiting team may cause suspicion or wariness among students of diverse backgrounds. FSU is a diverse university. Over one-quarter of current students are multicultural. Make sure your team sends the right message.

Staff Your Booth Appropriately—Prepare for Peaks and Valleys
Our peak hours are 10:30 a.m. to 12 p.m. and 1 to 3 p.m. If possible, arrange to have more than one recruiter at your booth during these times.

Integrate High Tech and High Touch
Multimedia displays and impressive technology will attract students to your booth; however, remember to complement the display with knowledgeable team members. Check with Career Center staff regarding your technology needs.

Giveaways Attract Job Prospects
Name recognition and recall go a long way. Identify promotional materials that will arouse interest and link to your recruiting message. Always have enough to make it through the day.

Be Very Careful About Shipping Materials and Have a Back-Up Plan
We provide shipping instructions in your career fair confirmation; however, you should always have a Plan B in case your materials don’t arrive. Your fellow recruiters recommend carrying at least 50 copies of materials with you, just in case.

Pursue Several Goals at the Career Fair
Make your time in Tallahassee as productive as possible. In addition to attending the fair, schedule opportunities to meet with key people on campus. Faculty members, Career Center staff, and relevant student organizations may be valuable resources in your recruiting efforts.

Follow Up - Follow Up - Follow Up
Once you have attracted a quality group of prospective employees, do not miss the opportunity to keep them interested. Determine your follow-up strategy prior to the fair.

Graduating seniors were asked to complete an online survey regarding their post-graduate plans. The Division of Student Affairs and The Career Center has administered the survey for over a decade. Beginning in fall 2012 in collaboration with Academic Affairs, the survey was added as a graduation requirement, and over 90% of graduating seniors from summer 2014, fall 2014, and spring 2015 completed the survey. Also included in these findings are the results of a six-month follow-up survey.
