FROM OUR DIRECTOR

Dear Recruiters,

We are pleased to provide this handbook to ensure the effectiveness of your organization’s recruiting efforts at Florida State University. For over 50 years, the FSU Career Center has been committed to providing linkages between employers and students, and we are confident our students at FSU are some of the best in the country.

This year, I am making a special plea to all of you to support our students, not only by carefully evaluating your recruiting efforts to ensure inclusivity and equity, but by also working with your organization to stop racism and social injustice at all levels. We must and can do better.

With COVID-19 impacting hiring budgets across the country, now more than ever, we appreciate your involvement with our Career Center. I would like to especially thank Career Center sponsors and members of the Employer Partner Program who have made this publication possible. We welcome support and sponsorship of our various programs and I encourage discussions about these opportunities.

FSU is determined to stay a Top 20 Public University, and as we prepare students for success, your partnership is more important than ever. Whether you are looking to fill a part or full-time position and/or internship, our Employer Relations and Experiential Learning teams stand ready to source your talent via concierge services.

The FSU Career Center, through early and swift action, became a leader amongst university career centers transitioning to virtual services. We are proud that any service you previously received is now available virtually.

The FSU Career Center has transitioned to NoleNetwork, a Symplicity platform to support all of our recruiting programs. This platform offers FSU students opportunities to engage with employers throughout the globe and provides you the opportunity to post career opportunities with multiple schools through one system. Please use NoleNetwork for all your talent needs.

The quality of our students is high, and we believe that FSU is one of the more dynamic, energetic, and growing universities nationally. Once again, on behalf of The Career Center staff, thank you for your interest in our office and students. I am confident that we will further strengthen the professional partnership between your organization, FSU, and The Career Center. We look forward to working with you!

Sincerely,

Myrna P. Hoover

The Employer Relations Team

The Employer Relations team is committed to providing employers a seamless recruiting experience. Whether you are new to FSU or one of our long-standing partners, the Employer Relations team will connect you with services and programs and to faculty, staff, and administrators in order to help you identify talent. We know FSU students are some of the best in the country.

Florida State University (FSU) is a member of the National Association of Colleges and Employers (NACE), the national professional association for career planning and recruitment. As a member of this association, FSU adheres to the Principles for Professional Conduct for career professionals, employers, and students. The principles support three basic precepts:

1. An open and free selection of employment opportunities.
2. A recruitment process that is fair and equitable to candidates and employing organizations.
3. Informed and responsible decision-making by candidates.

Embedded Career Liaisons

Embedded in various academic units, Career Liaisons work to increase student engagement in experiential learning opportunities, deliver employability-skills workshops, and coordinate networking events and career panels. In addition, they collaborate closely with academic faculty, academic advisors, and student organizations.
On-campus recruiting is encouraged in the fall (end of September through November) and spring (February through April).

PLANNING & SCHEDULING VISITS

Florida State University uses NoleNetwork to coordinate all on-campus recruiting (OCR) schedules. Reservations and interview details are made, scheduled, and finalized online.

For 2020-2021, we also offer employers the ability to schedule your virtual interviews through NoleNetwork. Request virtual interviews through the system the same as in person interviews. Staff will be in contact to coordinate your scheduling.

SCHEDULING OPTIONS

1. Preselection – Choose students that you would like to interview. The Career Center will give you access to the résumés of interested students through NoleNetwork. You may also include students you meet at Seminole Futures or the STEM Career & Internship Fair in your preselection list as long as the students are registered in NoleNetwork.

   The names of preselected students and alternates must be chosen using NoleNetwork two weeks prior to the scheduled recruiting date.

2. Open Sign-Up – Schedule created through NoleNetwork. Any student who is interested in the position and who meets your requirements (major, degree, graduation date, GPA, and work authorization) is welcome to sign up for an interview automatically.

3. Rooms Only – Reserve a space for interviews and you can create your own schedule from students you connected with at an event, from a job posting or some other means. You will need to provide the schedule to staff when you arrive on campus.

REGISTER AS A NEW EMPLOYER

- Visit career.fsu.edu/nolenetwork
- Click “Employer Login.”
- Go to the “Sign Up” tab to create a new account.

   Note: Once we approve your account, you will receive an email with a link to set your password.

REQUEST A SCHEDULE

- Visit career.fsu.edu/nolenetwork
- Click “Employer Login.”
- Log in with your username (email address) and password (sent at initial registration).

   Note: Use the “Forgot Password” tool if you do not know your password.

- In NoleNetwork, click on “On-Campus Interviews” located on the right of the homepage.
- Fill out all required fields for the request, add at least one job, and submit for review.
- Once your schedule is confirmed, you will receive additional information to help make your interviews a success.

   • Pre-Select: allows students to submit resumes for consideration then the employer chooses who they want to interview. Please make these requests at least three weeks in advance.
   • Open: any student who meets the qualifications set by the employer can automatically sign up for a slot. Request at least two weeks in advance.
   • Room Only: employers will create their own schedule, usually from students met at an event, job posting, or resume book/referral.

CHANGE OR CANCEL SCHEDULES

Changes and/or cancellations to scheduled date(s) or recruiting requirements will be accommodated if they are made at least three weeks prior to your recruiting date(s). Cancellations during this period are still accepted and no further action is necessary.

Note: Changes made less than three weeks prior to your recruiting date(s) will not give adequate time for publicity and may result in a less effective recruiting visit. Call the Senior Assistant Director for Employer Relations at 850.644.6493.

Once appointments are scheduled two weeks prior to your recruiting date, we feel that the commitment to
honor those arrangements rests equally with candidates and employers. Therefore, changes by the employer resulting in cancellation of appointments should be followed by letters or emails from your organization to the candidates. Résumés can be obtained through NoleNetwork to facilitate this courteous contact. Candidates are bound to the same courtesy—they must write a letter of explanation if they do not give adequate notice of cancellation or do not appear for an interview. In fact, in some cases, students may be banned from further on-campus interviewing for missing scheduled interviews.

CAREER CENTER SERVICES

NOLENETWORK: A JOB LISTING SERVICE
Post full and part-time job listings, internships, co-op positions, and externships specifically targeted to FSU students and alumni through NoleNetwork. There is no fee to post jobs to FSU. Visit career.fsu.edu/nolenetwork to login.

PROFESSIONOLE MENTORS
Share your career journey with current students and build your organization’s brand through ProfessioNole Mentors, an online network made up of alumni and friends of Florida State University. As a ProfessioNole Mentor, you will help students learn more about a particular career field, industry, discuss internship opportunities, or give advice about job searching. Become a mentor by visiting career.fsu.edu/professionole-mentors.

FSUSHADOW
Build your brand on campus and identify talent through serving as a FSUshadow Host. The FSUshadow Program, runs during academic breaks, provides matched single-day shadowing opportunities to students nationwide. Learn more at career.fsu.edu/fsushadow.

INFORMATION SESSIONS/TABLING
Promote your organization and meet potential candidates by hosting an information session, either in-person or virtually. Please make requests at least one month in advance to help ensure space availability.

Reservations for on-campus information sessions should be made through NoleNetwork.

• Visit career.fsu.edu/nolenetwork
• Click Employer Login and log into NoleNetwork with your username (email address) and password.
• Within NoleNetwork, click on the “Events” in the left side menu, then “Information Sessions & Engagement Events”
• Fill out all required fields for the request and submit for review.
  • The information in the form will help us determine location, marketing, and other aspects to better prepare for your event.
  • Once your event is confirmed, you will receive a confirmation email with location and/or other important information.

Should your organization have materials that must be shipped, please clearly label the boxes with your organization name and send to appropriate address.

Information Sessions in the Student Services Building (SSB) or anywhere on main campus can be shipped to:
Florida State University Career Center
Attention: Heather Scarboro
100 South Woodward Avenue
Tallahassee, FL 32306

Be sure to note that the materials are for an information session and that your organization name is clearly labeled. You may pick up your materials on the 3rd floor of the Dunlap Success Center prior to 5 p.m.

Information Sessions in the FAMU-FSU College of Engineering should be shipped to:
The College of Engineering Career Services
Attention: Information Session – Organization Name
FAMU-FSU COE Career Liaison
2525 Pottsdamer Street
Tallahassee, FL 32310-6046

Audio/visual equipment will NOT always be available. Please ensure you bring a laptop to present with as rooms do NOT come with computers.

TIPS FOR SUCCESSFUL ON-CAMPUS RECRUITING

PRESELECT STUDENTS

Be sure that you have identified all preselected students in NoleNetwork two weeks prior to your visit.

PROVIDE RECRUITERS WITH NECESSARY INFORMATION

Often those making arrangements for on-campus interviews and receiving our information are not the ones visiting campus to recruit. Please be sure that those coming to campus and conducting the interviews are provided all scheduling, location, procedure, and contact information.

TIPS FOR A SUCCESSFUL CAREER FAIR*

KNOW YOUR AUDIENCE

Knowing FSU’s student demographics and population characteristics is important. To learn more about our students, visit career.fsu.edu/stats or ir.fsu.edu.

SEND YOUR FSU ALUMNI TO CAMPUS

FSU alumni are proud of their institution and love to return to their alma mater. Alumni can serve as great advertisements for your organization, especially when they are sharing your organization’s brand and message with students.

REFLECT ORGANIZATIONAL DIVERSITY

Homogeneity in a recruiting team may cause suspicion or wariness among students of diverse backgrounds. FSU is a diverse university. More than 40 percent of students come from diverse cultural backgrounds within marginalized and under-represented communities.

STAFF YOUR BOOTH APPROPRIATELY - PREPARE FOR PEAKS & VALLEYS

Our peak hours are 10:30 a.m. to 12 p.m. and 1 to 4 p.m. at Seminole Futures. If possible, arrange to have more than one recruiter at your booth during these times.

INTEGRATE HIGH TECH & TOUCH

Multimedia displays and impressive technology will attract students to your booth; however, remember to complement the display with knowledgeable team members. Check with Career Center staff regarding your technology needs.

GIVEAWAYS ATTRACT JOB PROSPECTS

Name recognition and recall go a long way. Identify promotional materials that will arouse interest and link to your recruiting message. Always have enough to make it through the day.

BE CAREFUL ABOUT SHIPPING MATERIALS & HAVE A BACK UP PLAN

We provide shipping instructions in your career fair confirmation; however, you should always have a Plan B in case your materials don’t arrive. Your fellow recruiters recommend carrying at least 50 copies of materials with you, just in case.

PURSUE SEVERAL GOALS AT THE CAREER FAIR

Make your time in Tallahassee as productive as possible. In addition to attending the fair, schedule opportunities to meet with key people on campus. Faculty members, Career Center staff, and relevant student organizations may be valuable resources in your recruiting efforts.

FOLLOW UP

Once you have attracted a quality group of prospective employees, do not miss the opportunity to keep them interested. Determine your follow-up strategy prior to the fair.

*Condensed with permission from the National Association of Colleges & Employers (NACE).
**INTERNSHIP OVERVIEW**

Historically, full-time, entry-level hires converted from an employer’s own internship program are more likely to persist with the employing organization than their counterparts who have no experience or who gained it through another organization’s program.

Internships are one-time hands-on work or service experiences:

- Related to the student intern’s major or career goal
- Paid or unpaid
- Student may or may not receive academic credit
- Involves work in a professional setting
- Supervision provided by practicing professionals in the field
- Guided by predetermined learning outcomes, which the intern engages in and reflects upon throughout the duration of the experience.

**INTERNS PROVIDE**

- Fresh ideas on problems facing the organization
- Assistance with projects/tasks that need completing
- Insight on new approaches and business solutions
- Feedback on your products and services from young consumers
- Opportunities to screen and work with potential entry-level employees, prior to making a full-time employment commitment

**INTERNSHIP OUTCOMES**

- Increased brand visibility and product knowledge for your organization at FSU
- A training program and talent pipeline for future full-time professionals within your organization
- Management experience and leadership skills growth for your entry-level employees
- Showcase long-term career opportunities within both your organization and your industry

**INTERNSHIP TYPES**

- Apprenticeship
- Clinical
- Cooperative Education (Co-Op)
- Fellowship
- Field Work
- Practicum
- Research Assistant
- Service Learning
- Student Teaching
- Volunteer

**INTERNSHIP LENGTHS**

Typically, internships last 10-12 weeks and run on the same timeline as academic semesters:

- **Fall** (Late August - Early December)
- **Spring** (Early January - Late April)
- **Summer** (Mid-May - Early August)

Internship employers typically recognize University Holidays, Breaks and Closures, allowing Student Interns to put studies first.
**INTERNSHIP COMPENSATION**

Interns are typically paid more than minimum wage in your state.

Internship positions fall under the U.S. Department of Labor’s Fair Labor Standards Act (FLSA).

For an unpaid internship position with a for-profit employers, interns must be gaining experience directly correlated with their major or academic coursework and receiving ongoing professional development and mentorship.

**$19.54**

Current average hourly wage for interns at bachelor’s degree level

*National Association of Colleges and Employers (NACE, 2020)*

**U.S. DEPARTMENT OF LABOR FACT SHEET #71**

**Background**

The FLSA requires “for-profit” employers to pay employees for their work. Interns and students, however, may not be “employees” under the FLSA—in which case the FLSA does not require compensation for their work.

**For-profit organizations that choose to host unpaid interns typically provide alternative forms of compensation, such as:**

- A monthly, semester or project-based stipend
- Provided housing or a housing allowance
- Meal provision or reimbursement
- Parking/transportation reimbursement
- Sponsored membership to a professional development organization
- Attendance at local, regional, or national professional development trainings or conferences
- Academic scholarships

**INTERNSHIPS & ACADEMIC CREDIT**

Enrolling in an academic course during an internship means the student will be paying tuition.

For 2020-2021, the in-state charge per credit hour is **$215.55** + fees. A typical three-credit course is **$646.65** + fees.

*Florida State University Registrar*

**Students do not have to be receiving academic credit from FSU in order to engage in an internship.**

Stipulations and guidelines impacting financial compensation policies and preventing students from being paid for their work if they are receiving college credit are discriminatory.

At FSU, academic credit is always at the discretion of the Academic Department/Program (e.g. Political Science Department or Professional Sales Program) or College/School (e.g. College of Business or Dedman School of Hospitality).

Not all FSU majors offer an academic internship course. If they do:

- Eligibility requirements for academic internship courses can vary depending on year in school, degree level and major.
- Most for-credit academic internship courses are limited to upper level students.

After a student secures an internship, the responsibility lies with the student, not the employer, to explore the potential to earn academic course credit.

Organizations hiring interns should design their internship program around their own needs, not academic course requirements.

In recruiting for your internship program, you can emphasize your organization’s willingness to complete any needed forms to facilitate a student earning academic credit, such as including a statement in your internship position description:

*Can I use this internship/co-op for academic course credit at FSU?*

Contact your major’s internship coordinator to get the appropriate paperwork. If our internship fits your academic program’s requirements, we’re happy to work with you to fulfill requirements and complete paperwork, when possible.

*As Universities grant academic credit, an internship employer cannot guarantee that their internship will qualify for academic course credit. However, students always appreciate employers willing to work with their university in order for them to earn academic course credit.*
ALTERNATIVES TO ACADEMIC CREDIT

While the FSU Career Center does not grant academic credit for internships, we do offer a program for FSU students to earn recognition from FSU for their completion of an internship.

**Experience Recognition Program (ERP)**

The ERP program facilitates students’ professional development and growth through goal-setting, reflection, and self-evaluation. Students can earn recognition in one of two ways:

1. **Certificate**
   - Receive a certificate of completion
   - Upload certificate to LinkedIn or Career Portfolio
   - Enroll by mid-semester deadline

2. **Transcript Notation**
   - Participate in zero (0) credit hour virtual course
   - Graded on S/U scale
   - Enroll by drop/add deadline

Visit [career.fsu.edu/erp](http://career.fsu.edu/erp) to learn more.

LAUNCHING AN INTERNSHIP PROGRAM

Converting students who have taken part in your internship program into full-time employees is often a primary goal for most organizations.

As you think about hosting an intern, it is important to make sure your organization is ready.

Hosting a successful intern requires:

- **Time** – someone to train, supervise, and mentor
- **Physical/financial resources** – work space, computer/internet access, telephone/voicemail, etc.

The best-laid plans actually do make for the best internships – and create the most value for both the employer and the intern. So, it is worth the extra work in the beginning to assess your organizational need and readiness.

**ASSESS ORGANIZATIONAL NEED:**

- Are there back-burner projects that you would like to see completed?
- Is there a big project or peak season when your organization needs extra help?
- Do you have a specific employee that would benefit from extra short-term assistance?
- Do you have any preexisting resources or programs that need an update?
- Do you have a great idea that your organization needs help launching?

**ASSESS ORGANIZATIONAL READINESS:**

- Does your organization have both the time and resources needed to develop and mentor an intern throughout the entire experience?
- Is there a physical space for the intern to complete work equipped with the necessary technology?
- Can you develop a clear plan of how the intern can effectively contribute to your goals?
- Do you have a supervisor with some degree of expertise in the area in which the intern will be working?
- Who will be responsible for planning and executing your intern’s onboarding and offboarding process?
- Does your organization have the supervision structure to ensure the intern is meeting organization standards?

DEVELOPING A COMPELLING POSITION DESCRIPTION

Your internship position description is often the first impression a student has of your organization! Well-developed internship position descriptions always garner the most interest and applications from student candidates.

When crafting your position description, we recommend including the following:

**1. Why should a student choose your internship opportunity?**

*Incorporate a compelling (short) description of your organization.*

FSU students may not be familiar with your organization, so adding details builds interest about your mission and community impact.

**Example:** “Our solutions allow our clients to increase productivity and profits. We’re no strangers to the IT industry; we’ve been in business for 30+ years.”

*Lead with a concise overall statement describing the internship opportunity.*

**Example:** “The Event Management Intern will work directly with the Event Planner to plan and execute a flawless annual conference welcoming 5,000 professionals for a week-long continuing education program.”

*Use adjectives that accurately describe the work environment and culture (team-oriented, fast-paced, etc.).*

**Example:** “We’re a big company that feels like family, with offices across the U.S. and the globe. When you become our colleague, you join a family of innovators dedicated to making big things happen every day.”
Typically, employers begin recruiting interns eight months before their start date.

2. What will the intern gain from choosing your opportunity?

Provide a description of what the intern will learn from this opportunity.

Example: “Experience will be gained in event planning, volunteer management, B2C communications, community grassroots marketing, and vendor management.”

Brag on the supervisor – students want to know who will mentor them!

Example: “The intern will work under a supervisor, with the opportunity for mentorship, that has 20+ years of experience running multimodal communication strategies for Fortune 500, large non-profits, and lobbying organizations.”

Provide a description of any professional development opportunities available to students.

Example: “Perks of working with our office includes networking with a world-class team, attending meetings with high level leadership, your own office, and an occasional ice cream or coffee outing (maybe even lunch!). And, we have an on-site fitness center.”

3. What skills are needed for an Intern to succeed in your internship program?

Articulate the specific qualifications and skills. Avoid being vague.

Example: “Excellent quantitative problem-solving and analytic skills. Ability to communicate financial and economic concepts in verbal and written forms. Capable of managing multiple projects and meeting deadlines. Experience doing empirical research with large data sets.”

SETTING YOUR INTERN UP FOR SUCCESS

ORIENTATION

Intern orientation should be held on or before the first day of work.

In preparation for their arrival, you can make them feel valued by pre-ordering any nametags, branded shirts, door plaques, business cards, etc.

Before they arrive, set-up their assigned work area including telephone, computer, internet, voicemail, etc. and stocking with office supplies.

And remember, this may be your intern’s first professional experience, so you may need to have a more detailed orientation than with a full-time hire. Consider including the following:

Describe the Organization’s History

• Where did it begin?
• How has the organization changed? What triggered those changes?
• What are the organization’s future goals?

Explain the Organizational Structure

• Provide a copy of your organizational chart. Explain how the team/departamental groupings were created.
• Take time to explain the specific reporting structure for the team the intern works on.
• Provide the intern with personnel resources – who can and should answer future questions on the organization structure?

Outline Organizational Rules, Policies, Decorum, and Expectations

• Is there special company or industry jargon the intern needs to know?
• Reiterate specific work standards and procedures, including dress code and office norms.
• Detail any policies around using technology, printing, or using work phones for personal business.
• Explain any security or confidentiality policies.
• Explain protocol and use of break rooms (including refrigerators, microwave, communal coffee pots, etc.).
• Provide initial (and ongoing) training on mail, telephone, email, etc. systems that will be utilized for work.
• What local, state and/or federal guidelines or law apply to the intern’s work?
• What safety regulations must the intern abide?
• How should they order or request needed office supplies.
If there are any FSU Alumni or recent hires, take time to specifically introduce them or have that employee spend time with the intern on their first day to create an informal mentor relationship.

In the future, your intern may feel more comfortable approaching them with questions they may be too embarrassed to ask their supervisor.

**SUPERVISION**

**DEVELOPING LEARNING GOALS**

Develop learning goals with your intern to identify outcomes and desired experiences. Learning goals should be SMART (specific, measurable, attainable, realistic, and time-bound). To ensure time is spent productively, collaborate your intern in creating these goals. Learning goals may relate to:

**Job Skills (“Hard Skills”)**
- Concrete skills the intern hopes to obtain or build, such as learning to follow or perform appropriate procedures, utilize special equipment/technology, and execute specific methods or job-related tasks.

**Personal/Professional Skills (“Soft Skills”)**
- Less tangible skills and competencies the intern hopes to cultivate, such as self-confidence, working effectively with others, professional etiquette, networking, time management, organization, and decision making.

**Career Field/Industry Knowledge**
- New information regarding the company, industry, occupation, or job duties.

**DETAIL YOUR SUPERVISION STYLE & EXPECTATIONS**

- How much access to you does the intern have?
- What is your preferred communication style?
- Is there a procedure you want to follow for reviewing completed work?
- What periodic forms or reports do you want the intern to complete?
- What tasks can be completed without your approval?

**PROVIDE ON-GOING FEEDBACK**

Interns will look to their supervisors for guidance in navigating their transition to the professional world. Meet with the intern regularly.

Make sure to reinforce positive attitudes, and encourage the intern to keep a portfolio of work throughout the experience.

This will help the intern reflect when the internship has been completed and will provide a sense of accomplishment and professional growth.

**PROVIDE PROFESSIONAL DEVELOPMENT**

- When possible, allow your intern to shadow you and other organizational leaders during meetings, presentations, conference calls, sales pitches, etc.
- Take the intern to any local professional development sessions/trainings or trade shows.
- Set-up intra-organizational job shadow opportunities to provide a full picture into your organizations.
- Schedule informational interviews with your peers and mentors to provide a deeper look into career paths and advancement opportunities in your career field or industry.

Pro tip: Make the intern feel like part of your team!

**EVALUATING THE INTERN**

When evaluating the intern, be sure to include feedback on the intern’s timeliness and ability to take and follow direction. Mention areas that need growth and development, as well as areas in which the intern excelled.

Internships are experiential learning opportunities designed to enhance the academic coursework, it is recommended that intern evaluations mimic the rhythm of an academic semester:

**The First Evaluation**
- When: 1-3 weeks after orientation, onboarding and training is complete
- Goal: Ensure everyone’s initial expectations are being met

**The Second Evaluation**
- When: Mid-point of the internship
- Goal: Assess progress made towards agreed upon learning goals and determine if additional resources are necessary to complete assignments. Provide constructive feedback on areas of professional growth

**The Final Evaluation**
- When: Last week of the internship
- Goal: Both supervisor and intern can reflect on the experience, celebrate successes, assess professional growth, as well as constructively discussing areas of improvement for both the intern and the internship program.

PARTNER WITH FLORIDA STATE

To be the best Career Center possible, we need help from friends of Florida State University who share our commitment to the career growth of FSU students and the development of knowledge in this field. Join us by investing in the lives of future generations, and help us prepare students for the workplace.

ROOM SPONSOR

The Career Center is located in the state-of-the-art Dunlap Student Success Center in the heart of FSU’s campus. The building, which comprises approximately 47,000 square feet of space, houses classrooms, resource centers, meeting rooms, and offices.

Room sponsors benefit from increased visibility on campus and will receive the following benefits:

- A plaque naming their room for 10 years
- Logo placement on flat screen televisions, on The Career Center website, and in several annual publications targeting students, faculty, and other FSU recruiters.

Rooms available for sponsorship include:

- state-of-the-art interview rooms at $30,000.
- six-room interview suites at $50,000.
- large, public Career Center rooms at $100,000.

GOLD PARTNER: $5,000

Membership includes:

- Registration fee waived for up to 4 career events during the academic year.
- Additional incidentals for each career fair waived, including up to 8 additional participant fees, an extra table at your booth, and electrical access.
- Priority placement at in-person and virtual career fairs.
- Corporate logo displayed on the Seminole Futures entrance display and your career fair booth signage.
- Full page ad in the Career Guide, distributed to FSU students throughout the academic year, and special recognition on the Seminole Futures student fair guide.
- Corporate logo displayed on The Career Center website at career.fsu.edu/Current-Partners.
- Organization spotlight in our student newsletter and via social media outlets.
- Access to Résumé Books (an online database of résumés).
