

CAREER ADVISOR SCHOLARSHIP NEWS

Published annually to update alumni and friends of Florida State University about career advisor scholarships.

News and Views

by Bob Reardon, Ph.D.

Welcome to another edition of Career Advisor Scholarship (CAS) News. According to my unofficial records, our scholarship funds in October 2014 are \$519,367. We awarded \$16,953 in scholarships this year to 10 students. All three of these numbers are new highs for our program.

In the past 20 years, we have awarded \$172,933 in 116 scholarships to 75 different students. We now have 175 contributors who have made 455 gifts.

Graduate students in the counseling program, especially those working in the FSU Career Center, are extraordinarily talented and committed. It is important for us to support them. FSU graduate tuition is now \$479 per credit hour (in-state) and \$1,111 (out-of-state). Graduate degrees from our FSU counseling programs require 72 hours for the MS/EdS and 105 hours for the Ph.D. This year, we had 18 scholarship applications but could only make 10 awards.

Remember—a gift to our endowed scholarship funds lives on—it “keeps on giving.” Only 4% of the interest earned from a gift is made available each year for scholarships; the remainder, along with the original gift, will contribute to another scholarship in the future.

“ I ‘challenge’ those of you who have received a career advisor scholarship to make a gift of these funds. I’ll match whatever you contribute up to \$300. ”

As in the past, I “challenge” those of you who have received a career advisor scholarship to make a gift to these funds. I’ll match whatever you contribute up to \$300.

There are many worthy causes deserving our financial support, but this scholarship program is important to me because so much of my personal and professional life is connected to it. I believe many of you also share this view. We have received 21 contributions totaling \$7,635 thus far in 2014, and I’m hopeful we can finish strong. Go Seminoles!

How We’re Doing

Bobkin Fund (No. 1952). The Bobkin Fund was established in 1995 by Sandy and Randy Barker of Richmond, Virginia, and named for Sandy’s mother, Alyce B. Bobkin. This fund is operating currently with \$27,204 from 6 contributors.

Career Advisor Alumni Scholarship Fund (No. 1953). This fund was established in 2001 and has \$52,978 with gifts from 42 contributors.

Peterson Fund (No. 1955). The Peterson Fund was established in 1995 by Mike and Jean Shahnasarian of Tampa and named for Gary W. Peterson, Mike’s major professor. At the present time, this fund is operating with \$130,748 with gifts from 16 contributors. This fund is on the list for a state match of \$50,000 for further enhancement.

Rand Fund (No. 1959). The Rand Fund was established in 1996 by Herb Rand in honor of his late wife, Josie, a longtime music educator and FSU graduate. This fund is fully endowed at \$188,667.

Reardon Fund (No. 2129). The Reardon Fund was launched in late 2007 with a major gift from Mike and Jean Shahnasarian, which was further supported by 64 additional contributors. The fund is currently operating with \$84,555.

Last year, we added a sixth scholarship in memory of Joel Ross Driver, one of our career counseling alumni and an assistant director in The Career Center. Joel's family and friends established the Joel R. Driver Memorial Scholarship Fund (No. 7595) in his honor. This fund is operating with \$36,030 from 60 contributors.

While the criteria for these funds differ slightly, all seek to recognize and support students who have made a commitment to the career counseling area, have outstanding academic records and work histories, and have the potential to provide leadership in the broad area of career development and human resources.
